Vision Receives 2 National Design Awards from Graphic Design USA

Cedar Knolls, NJ, September 30, 2006

Vision Creative Group is proud to announce that it has been selected twice as a winner in the 2006 American Graphic Design Awards by a nationwide panel of judges.

The two awards that Vision received were for Excellence in Communication and Graphic Design of the Casio Spring 2006 Catalog and separately for the Casio Exilim 2006 Catalog.

“With Graphic Design USA entering its 44th year, this competition is among the most prestigious as well as open and democratic of all such events. It is among the most selective, too, as only 10% of the thousands of entries were honored this year. And this year, we are especially honored to have Adobe Systems Incorporated as the exclusive sponsor of the American Graphic Design Awards”, Gordon Kyle, Editor and Rachael Goldberg, Awards Department
